

**Concussion Awareness Training- Action is required**

All coaches, recreation and travel must complete one of the online concussion courses described in the links. When you complete the online course, there is an online certificate that is presented. Please print the certificate and keep one with while coaching, as required and send one to us, as we must verify that all our coaches have passed the training course. You may print and send or email a copy to us. Currently this training is a one time requirement.

**Kid Safe Form- Action is required**

All coaches, team managers and anyone in direct contact with players are required to complete the Kid Safe Form and send a copy to us through the US mail or scan and email a copy to our email address. All information is viewed and kept on file by our Kid Safe coordinator. These documents are viewed by the coordinator only and destroyed after the year. The form must be completed each year.
