

RECREATION SOCCER GAME CANCELLATION PROCEDURES

In the event that you and the opposing coach decide to cancel, postpone or move a game, please follow this procedure:

1. If the decision is mutual and made by Wednesday night preceding the game, BOTH COACHES should e-mail the recreation director, at recreation@mlusoccer.org and Marty Falk, the referee assignor, at martyfalk@verizon.net. The e-mail should state:

Date of game that was scheduled

Names of BOTH teams

Time, field and age group.

For example: Game of Saturday 3/26 between MLU 10 and MLU 11 at Trotters 3, 8:00, U-12 has been postponed. If the game is postponed, please go through Dave because of field issues.

2. If you do this on Thursday or Friday before 8 pm, please do the above and ALSO call Marty Falk at 856/313-6250 so he can alert the referee. If the ref isn't alerted and he shows, he gets paid.

3. After Friday at 8 ONLY the rec department can cancel the game. Once it is game time, that decision is up to the referee (weather, field conditions). If the referee determines that the field is unplayable, there may be no practice or unofficial scrimmage on that field.
