Mt. Laurel United Soccer Association, Inc. is a non-profit association, which provides children ages 3 through 17 a place to learn and play soccer. We offer programs that reach out to many members of the community through our recreation, travel and TOPSoccer programs. Our TOPSoccer program (The Outreach Program for Soccer players with disabilities) is the largest and oldest in the area. It has been well respected and emulated in the soccer community over 12 years. Our goal is to provide a positive environment for the development and enjoyment of soccer for area youth of all ages and abilities.

New Banner Sponsorships Available!

Soon we will be sporting a new fence line at the main soccer venue, Trotters Crossing Complex on Walton Avenue in Mt. Laurel. We are offering advertising space on the fence. Thousands of soccer players, parents and supporters visit the complex on a regular basis for practices, training and games. We have a captive audience! Fields are heavily used in spring and fall for travel and recreation soccer activities, and our annual Columbus Day Tournament which draws over 200 teams and 3,500 spectators.

Through the spring and fall seasons, fields are used Monday through Friday for practice by over 800 children in our programs. On weekends through the soccer seasons, we entertain players, parents, and fans to our fields for games from many leagues in which our teams play. Teams, parents and fans throughout New Jersey visit our fields every weekend for regularly scheduled games.
